Your Ride Can Put Children On The Road To Health.

Every year, thousands of children are diagnosed with brain tumors. In fact, of all cancers, it is the leading cause of death in children. But you can do something about it. Join the 16,000 motorcyclist and volunteers who devote their time, money and energy to the Ride for Kids® program each year. It works to improve the lives of seriously ill children by raising funds for medical research.

Get your Ride for Kids® information kit at your local motorcycle dealer today. Come ride with other motorcyclists and meet our great poster kids. It will be one of the most memorable rides of your life.
